Summary

- Computer Science student at the University of West Bohemia - Faculty of Applied Sciences. I am currently in the final year of my Master studies.
- I did an Erasmus in Spain for 1 year so you can be sure about my excellent communication skills and the ability to adapt to new environments.
- In my free time, I like to work on my own projects, go to the gym and spend time with my friends. I also love learning about programming languages and their capabilities.
